SAINT LUCIA

YOUR TIME, YOUR AGENDA

What are you looking for from your holiday? Escape? Relaxation? Adventure?

The Holiday of StolenTime so aptly describes a resort experience at the exquisite boutique resort on the idyllic island of Saint Lucia.

It is an adults-only getaway that pays special attention to your mental and emotional well-being. The difference between this and other Caribbean holidays is tangible.

It starts with a landscape that could easily be the setting for Adam and Eve's lush garden on two miles of sun-kissed beach

A TRANQUIL BOUTIQUE RESORT

StolenTime is the perfect getaway resort. It is an escape from the stresses of everyday life, your West Indian sanctuary.

We have created a resort that is unlike any other. Candlelit dining on the beach, the finest cuisine, well-appointed rooms, a lazy river pool that meanders gently through the resort creating small nooks and private hideaways, wading pools, a lush tropical garden and a spa where you can receive some well-deserved pampering.

It is a special place.
It is intimate. It is
as individual and as
unique as you are.

ALL THE TIME IN THE WORLD

Walk leisurely along the beach with the sand between your toes and the sun on your skin. Truly a stolen moment from it all some much needed quiet time.

Listen to the sound of the ebb and flow of the sea. Gulls circling in the clear blue sky, the thought of a cold drink by your sun lounger, a good book and the temptation of a snooze after lunch.

At StolenTime we make time, take time and enjoy good times. There is enough to do to fill your day. From tennis to table tennis, archery to volleyball, SCUBA, yoga, Pilates, water skiing, windsurfing and sailing. Exhausted yet? No! Then there are three pools, a Jacuzzi, a gym, keep fit classes, golf, bike rides and walks.

TWO WEEKS MAY NOT
BE LONG ENOUGH!

Life can sometimes leave us feeling exhausted, StolenTime boasts a satisfaction guaranteed by our guests to alleviate the stressors of a hectic routine and restore peace.

At the Spa in The Water Garden our aim is to bring you back to life, to rejuvenate you. From something as simple as a manicure or pedicure or a full body massage, right through to Swedish Massage, Deep Remedial Tissue Therapy, Aroma Stone Massage and Hawaiian Lomi Lomi.
